

# PLEASE READ

**Paperwork/Documentation:** Carlisle Events will mail confirmation to each pre-registered attendee and you may also bring along your e-mailed pre-registration confirmation if you used the eventville.com site. Your PayPal confirmation is a good piece of documentation to have as well. Central Penn SAAB Club maintains complete records on-site.

**If you pre-registered with CPSC before April 18<sup>th</sup>:** Carlisle Events will mail your official window sticker directly to you. This window sticker MUST be affixed to your windshield (upper left hand corner preferably) BEFORE you can enter the showfield area when you arrive at the Carlisle Fairgrounds. Lost window stickers can only be replaced by paying for new ones.

**If you did not pre-registered with CPSC before April 18<sup>th</sup>:** you will need to pick up your window sticker and credentials prior to entering the show field.

**Entrance to the Showfield is through GATE 3.** Attendees will be required to check in at the Registration Building (red brick house) before gaining admission to the show grounds or camping area. You **MUST HAVE** your show credentials before gaining access to the grounds. The Registration Office is open on Friday from 7:00AM until 7:00PM. If for any reason you will not be able to pick up your credentials before Registration closes, you will not be given access to the grounds or camping area. Please make arrangements with CPSC to pick up your credentials ahead of time and we will arrange for someone to meet you at the gate with your event credentials. If arrangements are not made in advance, the only alternative will be to return to the Registration Office on Saturday morning after 7:00AM. Once you have your event credentials, you are permitted to enter and exit through Gate 3. The gate is open to show attendees 24 hours per day, and is staffed by security personnel who will verify your credentials before admitting you onto the grounds.

**IMPORTANT:** Carlisle Events will issue a window sticker to you that **MUST** be displayed on the upper left corner of your windshield **BEFORE** you are permitted to enter the show grounds. This means that it must be affixed regardless of the weather conditions (even in the rain!). Plan ahead: bring a dry towel, umbrella and an extra helping hand if needed.

**Alcohol:** Alcoholic beverages are permitted on the show grounds, however glass containers are discouraged. Security personnel reserve the right to remove anyone from the premise for drunk or disorderly conduct or who poses a risk to others. Pennsylvania does not permit alcohol sales in convenience stores. Beer/Malt Beverages may be purchased at local taverns or six-pack stores, limited to 192 ounces per single purchase. This means that if you wish to purchase 3 six packs, you are limited to buying 2, then returning to purchase the third one. Beer/Malt Beverages may also be purchased through Beer Distributors by the case only. Spirits (wine and liquor) may only be purchased through state run Wine & Spirits shops.

**Animal Policy:** Animals are discouraged on the fairgrounds. If you must bring an animal, please keep it on a leash and under control at all times. Animals should never be left unattended, particularly inside a vehicle. It is your responsibility to clean up after your pet. Please help us maintain a sanitary environment for all attendees.

**For Sale Signs and Parts Sales:** Carlisle Events specifies that vehicles and parts on the show field cannot display a for sale sign. Any vehicle for sale must be parked in the Car Corral area, and pay appropriate fees. Parts or other merchandise must be sold through a rented vendor space in the swap meet area. This rule does not apply to club regalia merchandise.

**Friday Evening Cookout:** Central Penn SAAB Club will provide the grill, condiments and soft drinks for the cookout. Please bring along something to grill for your own dinner (beef, chicken, etc.), and also a utensil to use while grilling (tongs, spatula, etc.). This is usually a pot-luck style dinner, and many attendees bring along a dish to share.

# The Official “What to Bring To Carlisle” List

Whether this is your first trip to Carlisle, or you are returning for the eleventh time, having a checklist of items that can make your weekend more pleasant and enjoyable should prove to be helpful. Both our geographical location and the time of year make this event a challenge when it comes time to pack. Because this is an outdoor, *rain or shine* event, a little preparation can make all the difference in your personal comfort and enjoying the weekend.

- ✓ **Suitable clothing for every possible weather condition.** The rule at Carlisle is that the clothing you do not pack will be exactly what you will need, as the weather can vary drastically this time of year. Think in terms of layering light clothes and you should be fine. It is not unusual to see 70 degree daytime temps and have a 30-40 degree drop overnight. *Carlisle is one of those places on Earth where you can get a sunburn and hypothermia in the same weekend!*
- ✓ **Comfortable shoes** (or an extra pair if the first ones get wet)
- ✓ **Waterproof shoes/boots**
- ✓ **Warm jacket** (just in case)
- ✓ **Shorts** (for those times when you don't need the jacket)
- ✓ **Sweater, Sweatshirt, Hoodie** (or one of each)
- ✓ **Rain gear**, umbrella, poncho, rain slicker, rain suit (just in case)
- ✓ **Comfortable folding/lawn chair.** ( a small folding table is nice to have, too)
- ✓ **Cooler** and your favorite beverage(s). [SEE Alcohol Note.]
- ✓ **Wash bucket and car detailing supplies:** there are several water hoses available near the main restroom building adjacent to Gate 3 for use by show attendees.
- ✓ For Campers: bath towel, shower kit (Restrooms>Showers are open 24 hours during show)
- ✓ **Camera** or camcorder (with extra batteries, digital card or film, charger).
- ✓ **Sun Glasses and Sun Block:** (you may need these when it isn't overcast or raining)
- ✓ **Family Radio Service (FRS) / General Mobile Radio Service (GMRS)** radio. We will be using channel 3 quiet code 25 throughout the weekend for SAAB communications. They will make your entire weekend much more enjoyable knowing all that is going on around the 63 acres of the Carlisle Fairgrounds.
- ✓ Extra cash/credit card/check book for that special SAAB part or accessory. Carlisle Events has an ATM on premises, as well as cash advances for credit cards.
- ✓ **Friday Night's Dinner** – see page 1.
- ✓ Photos of the SAABs you didn't bring with you, along with your favorite SAAB story. (always fun to share)
- ✓ Also photos of any cars/parts you may have for sale. (Always helpful if you run into a potential buyer)
- ✓ **YOUR REGISTRATION CREDENTIALS**, including windshield stickers and copies of anything mentioned on page 1.
